Dear Dave--It occurs to me that if you haven't yet sent off that request on Juan's behalf to the millionaire, it might be best to delay sending it until after the Christmas season is over---say until January 2. I'll bet that guy receives a particularly large number of requests during the Christmas season, and there should be a correspondingly slack period after the Christmas season is over. So the best chance for success should come after the Christmas season.

Ted

I'm sending a duplicate of this to Texas, since I don't know where you are at the moment.
